

## An Australian Government Initiative

## HOW DO I APPLY?

Details on how to apply for the Australian Government ICT Graduate Program are available on our website:

[www.australia.gov.au/ictentrylevel](http://www.australia.gov.au/ictentrylevel)

To apply you must:

- be an Australian Citizen
- have completed an Australian recognised undergraduate or postgraduate degree in ICT within the last seven years
- be willing to undergo security and health assessments.

The Australian Government values a diverse and inclusive workforce and strongly encourages applications from all sectors of the community.

Australian Government ICT  
Entry-level Programs

AUSTRALIAN GOVERNMENT

**ICT GRADUATE  
PROGRAM**

Kick start your digital career with the Australian Government ICT Graduate Program. Apply for this program and be considered for exciting positions in a range of Australian Government agencies. The ICT Graduate Program will give you the chance to work in diverse roles and to further develop ICT skills that are in high demand across the Australian Government.

## As an Australian Government ICT Graduate you will receive:

- a competitive starting salary
- a postgraduate qualification with a public sector ICT focus
- a permanent job in the Australian Government
  - free Australian Computer Society (ACS) membership and access to ACS events
  - generous leave and superannuation
  - structured support and mentoring from managers and colleagues
  - flexible working arrangements
  - opportunities to network with other ICT professionals.

## WHAT WILL I DO?

Positions range from ICT policy and business analysis to technical support for critical infrastructure and application technologies.

The program offers extensive opportunities to develop your capabilities as an ICT professional. You will participate in networking events where you can meet ICT professionals and other ICT and Australian Government graduates in order to develop professional and social networks.

You will also complete a postgraduate qualification with a public sector ICT focus and deliver a major ICT project.

## HOW DO I STAY ON TRACK?

You will be offered dedicated support services to ensure your success during the graduate program year.

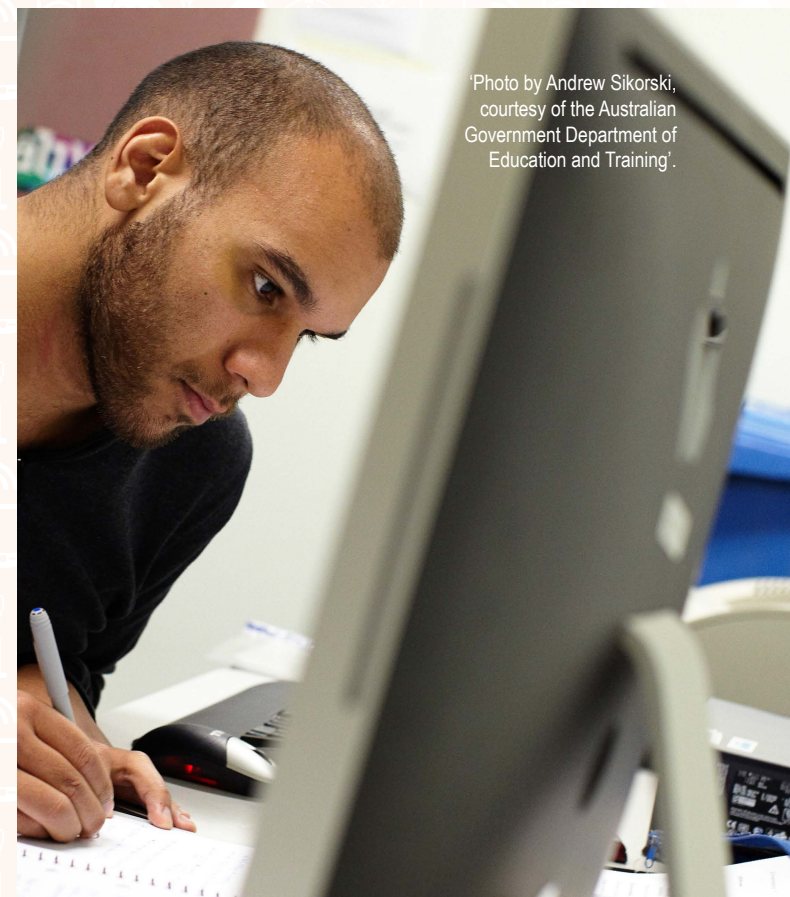

Your workplace supervisor will guide you in your day-to-day work, answer questions and provide you with advice. A dedicated Career Development and Support Officer will also assist with your academic and workplace progress, as well as act as an informal mentor and career coach.

In addition, you will participate in learning and development activities which will provide you with the skills and knowledge you need to become a high performing Australian Government employee.

## WILL I HAVE A PERMANENT ROLE AT THE END OF THE PROGRAM?

Yes. You will be employed as a permanent Australian Government employee from day one.

During the graduate program year you will also be provided with training to help you increase your opportunities for promotion in the Australian Government at the end of the program.
